

BANGOR AREA SCHOOL DISTRICT

Authorization to Release Children in an Emergency

The Bangor Area School District has an emergency plan in place in the event of a weather emergency or an act of terrorism. This is done for your child’s safety and at the direction of the Pennsylvania Department of Education. The emergency plan is devoted to the welfare and safety of your child during school hours.

We are requesting your assistance at this time:

Should there be an emergency, such as a major fire, tornado, explosion, or act of terrorism, your child may be required to remain in the care of the school until it is deemed safe by an Emergency Services authority that the child can be released. At this point, children may be released only to properly authorized parents and/or designees. Therefore, please list as many names, (with local telephone numbers and addresses) as possible, of those persons to whom you would allow your child’s release in the event of an emergency. Be sure to notify those persons listed that you have authorized their supervision in case of any emergency.

In the event that you should be unable to come to school, it is essential that others be designated to care for your child. **No child will be released to the care of unauthorized persons.**

We appreciate your cooperation in this important matter.
